TAYAMMUM DEFINITION

In Fiqh terminology, Tayammum means to wipe the forehead and the back of the hands with earth when Wudhoo and Ghusl are not possible. Tayammum substitutes them.

Tayammum is called Tahara Turbiyya (the tahara of earth)

Wudu and Ghusl are called Tahara Ma'iyya (the tahara of water)

WHEN CAN WE DO TAYAMMUM?

When there is no water and salaa is getting qadhaa.

When using water is harmful to your health or life.

When the time left for salaa to be qadhaa is so little that if you do ghusl or wudhoo, your salaa will become qadha.
